Dated: 21/04/2023

### **ORDER**

In pursuance of MoHFW letter no.S.11025/29/221-MH-I dated 2/04/2023, it is informed that the parking facilities provided from Gate No.7 (Ring Road) → MS office → CIO → Gate No.1 (Sri Aurobindo Marg) creates a nightmarish experience for patients and their attendants and chaos inside the hospital campus. This also hinders the movement of pedestrians and ambulances. Therefore, it has been decided to declare these areas as **NO PARKING ZONE** w.e.f. **26.04.2023** for all Staffs/ Faculties/ Resident Doctors as well as patients and their attendants.

2. Sufficient parking space is available in the Basement (-3) of SSB & the Basement of NEB. All Staffs/ Faculties and Resident Doctors are, therefore, directed to park their vehicles in the designated area only.

3. Any violation of this order shall attract penalty of Rs.2000/- on each default. The vehicle parked in the **NO PARKING AREA** will be towed away and any damage to the vehicle shall be the responsibility of the owner.

4. This issues with approval of Medical Superintendent VMMC & Safdarjung Hospital
