

**LIST OF CLINICAL SKILLS PLANNED TO BE TAUGHT IN ENT TO MBBS BATCH 2019  
IN THEIR ONGOING CLINICAL POSTINGS FROM 15/03/2021-09/12/2021**

| <u>S.No</u> | <u>COMPETENCIES No.</u> | <u>TYPES OF COMPETENCIES</u>  |
|-------------|-------------------------|---|
| 1           | EN2.1                   | Elicit document and present an appropriate history in a patient presenting with an ENT complaint.   |
| 2           | EN2.12                  | Counsel and administer informed consent to patients and their families in a stimulated environment.   |
| 3           | EN2.2                   | Demonstrate the correct use of a head lamp in the examination of the ear, nose and throat.  |
| 4           | EN2.3                   | Demonstrate the correct technique of examination of the ear including Otoscopy.   |
| 5           | EN3.1                   | Observe and describe the indications for and steps involved in the performance of Oto-microscopic examination in a simulated environment.                                       |
| 6           | EN4.4                   | Demonstrate the correct technique to hold, visualize and assess the mobility of the tympanic membrane and interpret and diagrammatically represent the findings.                |
| 7           | EN2.4                   | Demonstrate the correct technique of performance and interpret tuning fork tests.   |
| 8           | EN2.8                   | Demonstrate the correct technique to perform and interpret pure tone audiogram & impedance audiogram.   |
| 9           | EN4.16 & EN4.17         | Observe and describe the indications for and steps involved in the performance of pure tone audiometry and enumerate the indications and interpret the results of an audiogram. |
| 10          | EN2.5                   | Demonstrate the correct technique of examination of the nose & paranasal sinuses including the use of nasal speculum.   |
| 11          | EN3.2                   | Observe and describe the indications for and steps involved in the performance of Diagnostic Nasal Endoscopy.   |
| 12          | EN2.6                   | Demonstrate the correct technique of examining the throat including the use of a tongue depressor.  |
| 13          | EN2.7                   | Demonstrate the correct technique of examination of neck including elicitation of laryngeal crepitus.   |
| 14          | EN3.3                   | Observe and describe the indications for and steps involved in the performance of Rigid/Flexible Laryngoscopy.  |
| 15          | EN2.10                  | Identify and describe the use of common instruments used in ENT surgery.  |
| 16          | EN2.14                  | Demonstrate the correct technique to instilling topical medications into the ear, nose and throat in a simulated environment  |
