ORDER

The VMMC & Safdarjung hospital has completed all stages of NABH entry level certification in March 2021 and awaiting certification committee decision for issue of certificate. The training of each and every staff including faculty and staff is important for their orientation to patient's safety and quality care.

The quality cell has felt for need of a 2-3 hours training as compulsory for hospital staff on their joining the services. It is also imperative for continuous quality improvement and next accreditation level. The matter was discussed in quality cell meeting under chairmanship of Medical Superintendent on 14/12/2020 and decided to start induction training of all staff including resident doctors on their joining hospital.

Therefore, each and every staff including resident doctors will undergo compulsory induction training on patient's safety and quality care on joining the VMMC & Safdarjung Hospital. The first pay will be released on production of induction training certificate from quality cell. The detail guidelines will be issued by quality cell in due course of time.

This issues with approval of Medical Superintendent.
