

New Year Message 2026
From the Desk of the Director, VMMC & Safdarjung Hospital

Dear Colleagues, Students, and Friends,

As we step into the year **2026**, I extend my heartfelt greetings and best wishes to each member of the VMMC & Safdarjung Hospital family. The dawn of a new year is not only a time for celebration but also an opportunity for reflection, renewal, and recommitment to our shared mission of service, education, and excellence in healthcare.

The past year has been a testament to our resilience, dedication, and compassion. Together, we have faced challenges, embraced innovation, and continued to provide quality care to countless patients who place their trust in us. Our students and faculty have carried forward the proud legacy of VMMC by excelling in academics, research, and clinical practice.

In 2026, let us reaffirm our commitment to:

- **Patient-Centered Care** – ensuring dignity, empathy, and excellence in every interaction.
- **Academic Excellence** – nurturing the next generation of medical professionals with integrity and innovation.
- **Teamwork & Collaboration** – strengthening bonds across departments and disciplines for holistic healthcare and another first in Kayakalp.
- **Sustainability & Growth** – adopting practices that safeguard the health of both people and our environment.

I am confident that with your continued dedication, VMMC & Safdarjung Hospital will reach new milestones and set higher standards in medical education and healthcare delivery.

May this New Year bring good health, happiness, and success to you and your families. Together, let us make **2026** a year of progress, compassion, and excellence.

Warm regards,

A handwritten signature in green ink that reads "Sandeep Bansal". The signature is fluid and cursive, with the first name "Sandeep" and last name "Bansal" clearly visible.

(Dr. Sandeep Bansal)

Director,
VMMC & Safdarjung Hospital
