Important Notice

In accordance with para 6.3 of DoPT O.M. No. 36039/1/2019-Estt.(Res.) dated 31.01.2019 and DoPT FAQ on reservation to EWS dated: 19.09.2022, it has been observed that, during the current recruitment year, vacancies earmarked for the Economically Weaker Sections (EWS) could not be filled due to non-availability of eligible / suitable EWS candidates.

Out of 75 EWS vacancies, only 19 candidates have appeared in the written examination and have been shortlisted for interview. Consequently, the remaining EWS vacancies could not be filled despite due process.

Accordingly, after making the requisite attempt to fill the EWS vacancies in the same recruitment year, and in terms of the aforesaid DoPT O.M., it has been decided by the Competent Authority that the unfilled EWS vacancies shall be filled by treating them as Unreserved (UR), subject to the condition that such conversion does not result in excess representation in the General category.

It has further been decided that candidates equal to three times the number of converted EWS vacancies, from the UR merit list, who have not yet been interviewed, shall be called for interview strictly in order of merit. The interview schedule and the list of shortlisted candidates for the above shall be notified/uploaded separately.

This issues with the approval of the Director.
